

VI International MG Monte-Carlo Event

4/5/6 October 2024

The VI MG International Monte-Carlo Event

The MG Car Club of Monaco is delighted to announce the highly anticipated Sixth International MG Monte Carlo Event, scheduled to take place during the first weekend of October in 2024. Originating in 2005, this triennial event has established itself as an exclusive gathering in the heart of the Principality, attracting participants from across Europe. Despite the challenges posed by the pandemic, we are thrilled to resume our festivities and extend a warm invitation for you to join us.

This year, our distinguished participants will experience unparalleled hospitality at the prestigious Hotel Monte Carlo BAY, situated along the picturesque shoreline of the Principality. The focal point of the gathering, the hotel boasts an exclusive lagoon, typically open throughout October, providing a serene backdrop for our esteemed guests.

Commencing on Friday afternoon, the event will kick off with a warm welcome, leisure time in the Lagoon & Spa, followed by a specially curated dinner joining the Norman Foster's designed exclusive and private Yacht Club. The excitement will continue on Saturday, as participants embark on a scenic journey along the Cote d'Azur of the French Riviera. A stop at an enchanting Relais & Chateaux nestled in the Provençal Hills awaits for a Michelin Star delightful lunch, followed by an evening dinner in one of the top places in the heart of Monte Carlo. Sunday will bring relaxation and a brief drive to a new Sea-port location for another exquisite lunch, concluding our event with a memorable Sunday lunch.

This captivating blend of experiences aims to immerse all participants in the enchanting atmosphere of Monte-Carlo. Should you wish to extend your stay beyond the event dates, we are pleased to assist in organizing a longer visit, leveraging our corporate 'Club-rates' and facilitations at various locations. Feel free to contact us in advance to streamline your travel plans.

We eagerly anticipate your presence in Monte-Carlo, ready to create unforgettable memories together!

We are looking forward to meet you in Monte-Carlo !
